## The most natural recipe of taste

Yörükoğlu, following the principle of “in the oxygen-rich nature, the well-fed cows produce good milk”, brings you the freshness and purity you’ve always dreamed of. Produces its whole product range with natural products from ayran to yoghurt, to cheese, to butter; just so you can feel the difference every time you take a sip and taste a bite...

# Yörükoğlu

*Naturality and purity from Taurus Mountains...*

## Carrying naturality is a matter of expertness.

Yörükoğlu dotes on Taurus' peerless tastes and makes no compromises on quality in order to protect its delicious milks. By its special frigorific systems, Yörükoğlu develops and consummates the distribution network for delivering its unique tastes in the earliest freshness.

## Advanced technology for natural produces!

In a total of 47.000 m<sup>2</sup> modern and technological Yörükoğlu facilities, an environmentally-friendly and consumer-oriented operating principle is implemented. The delicious Taurus milk is pasteurized to preserve its freshness and nutritional properties. Then, it is offered to you in a hygienic and safe packaging.
